

Family League By The Numbers FY2018

Home Visiting

- In Fiscal Year 2018, Baltimore City Healty Families America home visiting programs completed 7,298 home visits.
- 92 percent of births by women who enrolled in a home visiting program during their first or second trimester were full-term.

Food Access

- Over 1,500 children across 186 Family Childcare Providers received healthy meals through Family League's food access work in FY18.
- Family League serves approximately 3,000 snacks & meals daily through its involvement in the Child and Adult Care Food Program.

Community School & Out-Of-School Time (OST)

- Parents and guardians of Community School students logged 59,276 volunteer hours during the 2017-18 school year.
- 78 percent of OST participants who attended programming in the fall still attended the program at the end of the school year.
- 90 percent of K-8 Community School students were not chronically absent.

Baltimore Summer Skill Builders

- 82 percent of participants in Baltimore Summer Skill Builders - a partnership with the International Youth Foundation and the Mayor's Office of Employment Development - felt more prepared for a job.
- 98 percent of participants believe they would apply what they learned in the program

Professional Development

- 1,448 totals hours of professional development were earned by 508 workshop participants in 47 offerings including Results-Based Accountability, YouthWorks Methods, and Approaches to Youth Development.

Funded Partnerships

- In FY 2018, Family League provided more than \$13 million to 73 funded partners.
