Dear Ms. Haller,

This year, Family League intends to participate in the Summer Food Service Program (SFSP).

The Maryland State Department of Education requires SFSP sponsors to notify the local Health Department of our participation. We are a vended program and will operate from the last day of school in June until the day before school starts in August.

The following meals will be prepared and served: Breakfast, Lunch and Dinner.

We'll be procuring a vendor for the services in accordance with our Procurement Policy and will notify you as soon as one is selected.

For further information please contact Melissa Moore at (410) 662-5500, ext. 215

Sincerely,

Demaune Millard
